Diversity Matters®

Weekly Online Talk Radio

Because diversity matters, our online talk radio show gives voice to the power of inclusion in the workplace and in the world. Co-hosts Richard Friend, Ph.D. and Judy Seidenstein have over 50 years of combined experience helping individuals and groups create organizations where people are valued because of who they are and because their unique perspectives and experience matter. We engage others in understanding and utilizing people's similarities, differences and interdependence in order to create a world that works.

Through conversations with a wide range of key thought leaders and practitioners in the field, the show provides cutting-edge ideas, resources and tools that enable people and organizations to leverage diversity and inclusion for high performance. Diversity Matters® airs new shows regularly and all episodes are archived on our website: www.diversitymatters.info

Past guests include the late Yolanda King, Jane Elliott, Roosevelt Thomas, Fred Miller, Edie Seashore, Brian McNaught, Kenji Yoshino, Lee Gardenswartz and Anita Rowe, Frans Johansson, Sally Helgesen and Johnnetta B. Cole. Tune in, because diversity does matter!
